

Molly Lynch

University of Georgia

EDUCATION

University of Georgia Athens, GA

Bachelor of Science, Health Promotion, Emphasis; Health Services (Pre-PA)

Expected Graduation: Fall 2026

Current GPA: 3.68

VOLUNTEER EXPERIENCE

University Cancer and Blood Disorders Center

August 2025 – Present

- Transport patients safely throughout the facility
- Assist clinical staff with CT scan preparation and patient positioning
- Support the radiation oncology team by helping patients prepare for treatment procedures
- Facilitate patient check-in processes, ensuring accurate documentation and efficient front desk workflow
- Manage mobile snack cart service to improve patient comfort and experience during visits

Emmanuel Episcopal Church – Youth Programming

September 2023 – January 2025

- Provided basic care for children aged 6 months to 12 years old
- Assisted in developing weekly lesson plans for enriching development, leadership skills, and ethical values
- Communicated with parents on the individual needs of their children and discussed their development over time
- Worked with church staff and other volunteers to create a welcoming and inclusive environment for all youth participants

RELATED EXPERIENCE

Health and Wellness Committee for Delta Delta Delta

August 2024 – August 2025

- Organized health and wellness events, such as finals stress relief workshops, semesterly mental health check-ins, and chapter-wide exercise classes for 350+ sorority members
- Edited weekly wellness newsletters of healthy lifestyle tips of the week to stay up to date on member welfare
- Coordinated with local health care professionals to bring a gynecologist and licensed therapist in for informational panels aimed at educating all sorority members

Hospital Relations Committee for UGA Miracle

August 2023 - Present

- Assisted in running fundraising events hosted by the organization throughout the year which accomplished raising \$1,167,175.22 for Children's Healthcare of Atlanta in just the fall 2024-spring 2025 school year
- Enhanced club engagement by promoting UGA Miracle's mission to the student body, encouraging new membership and involvement in club events
- Visited Children's Healthcare of Atlanta to foster relationships with their outreach department and gain a better understanding of how UGA Miracle can best support their patients

Pre-Physician Assistant Association at UGA

October 2023 - Present

- Expanded my professional development by attending panels from guest speakers of current physician assistants to gain insight into the PA profession and journey to the career
- Strengthened my networking abilities by building relationships with PAs and fellow pre-PA students
- Worked on increasing club engagement by promoting the club's mission to other UGA students and encouraging membership
